Music Playing

Male speaking:

This is Meredith.

[Young woman standing and smiling]

Male speaking:

She's planning on studying a Bachelor of Digital Arts.

[Meredith standing next to desk with laptop, cup and movie camera]

Male speaking:

Sure, she could have checked out the Australian Government *Study Assist* website for financial support,

[Laptop with Australian Government Study Assist website on screen]

Male speaking:

but instead knowing that today's advanced social technology enables instant fame and fortune. Meredith sets her sights on becoming the next YouTube sensation.

[Meredith smiling and laughing]

[Meredith standing next to camera with thought bubble, with text: Don't you know who I am?]

Male speaking:

Laptop, check.

[Laptop with blank screen]

Male speaking:

Camera, check.

[Movie camera on tripod]

Male speaking:

Earth shattering idea, check.

[Meredith with idea bubbles with videos of Meredith doing various activities]

Male speaking:

Korean pop tribute.

[Meredith dancing to dance music, text: Someone else's moves]

Male speaking:

or, Study Assist.

[Laptop with Australian Government Study Assist website on screen]

Male speaking:

A voice only a mother could love,

[Meredith singing with disco lights, text: Inflated sense of self!]

Male speaking:

or, Study Assist

[Laptop with Australian Government Study Assist website on screen]

Male speaking:

While Meredith waits for the inevitable cash to roll in, perhaps she should entertain herself by going to studyassist.gov.au.

[Laptop on desk with Australian Government Study Assist website on screen with Meredith singing in background]

Male speaking:

Then she'd be able to find out about CSPs, HECS-HELP and FEE-HELP.

[Laptop screen with text: CSPs, HECS-HELP, FEE-HELP]

Male speaking:

CSP is a Commonwealth Supported Place. Most Bachelor students are enrolled in a CSP.

[Laptop screen with text: CSPs are subsidised by the Australian Government]

Male speaking:

If she's eligible, Meredith will only pay student contributions.

[Meredith singing with 'sound off' icon showing]

Male speaking:

With HECS help, Meredith can take out a loan with the Australian Government to pay her student contributions. *[Laptop screen with Text: HECS-HELP covers student contributions]*

Male speaking:

and with fee HELP, she could have all or part of her tuition fees covered.

[Laptop screen with text: FEE-HELP can assist to cover undergraduate & postgraduate tuition fees]

Male speaking:

Of course, HELP loans will need to be repaid, but not until you start earning a certain amount, so there's no need to make a song and dance of it Meredith.

[Meredith dancing then turning movie camera off]

[Meredith sitting at laptop and uploading video]

Male speaking:

If you're like Meredith, you need HELP.

[Side view of Meredith smiling]

Male speaking:

Get it at studyassist.gov.au

[Australian Government Crest text: Get HELP at studyassist.gov.au]

[Meredith looking at uploaded video of herself, shrugging her shoulders and shaking head]
